► **Are the following names adequate for the picture on the right? If not, what's wrong?** (←hover for definition & additional examples)

Name given:	Adequate?	If not, what is (or could be) inadequate about the name, primarily?			
		Linguistic mistake	Named object not tightly in bounding box	Named object mistaken for something it's not	Something else
leaves					
chair					
bench					

► **If you had to guess, which names were likely intended for naming the same object?** (← hover for more instructions/examples; can be tricky!)

Names:	Assign the same color to names (only) if they were likely intended for the same object:	
leaves		?
chair		?
bench		?
